

becoming ONE

nurturing your marriage

When the couple travels together with *love*, then the whole person, body and soul, travels with Christ.

Then the helmsman of the ark of our life will be Jesus Christ, and the husband and wife His co-captains.

(Heiromonk Gregorios in The Mystery of Marriage: A Fellowship of Love)

Beautiful nautical image of marriage! How are you and your spouse traveling "together with love" today? How is this love being manifested?
