# **Audio Readings from THE ORTHODOX WORD PODCAST For iPod/MP3 Players and computer media players:**

From the Greek Orthodox Archdiocese website, in coordination with **Annunciation Greek Orthodox Church of Akron, Ohio**, we are able to offer the **Orthodox Word Pod**Cast, a reading of the daily scriptures of the Greek Orthodox Church.

What is a "Podcast?"

A Podcast is like a recorded radio show that can be downloaded from the Internet. Unlike streaming media over the Internet, podcasts are usually downloaded to a user's computer for later listening. Using special software, you can "subscribe" to a podcast and new episodes will automatically be downloaded to your computer. If you use an Apple iPod portable music player, new episodes can also be automatically transferred to your iPod so you can listen to a podcast when away from your computer.

**ORTHODOX WORD EARLY EDITION:** An effort is underway to make this podcast available each weekend for the following week through a second RSS feed called the Orthodox Word Early Edition.

### How Can I Hear The Orthodox Word Podcast?

If you want each daily episode to be automatically downloaded to your computer so that you may listen to the episode at your convenience on your computer or Apple iPod portable music player, you must download and install iTunes from Apple Computers (version 4.9 or greater). The Free Orthodox Word Podcast can be found in the iTunes Music Store under the Podcasts genre in the Religion & Spirituality, Christianity category. Or you may go directly to the site sponsored by the Annunciation Church of Akron, Ohio which has graciously offered this service to the Orthodox Christian community and all who seek to broaden their knowledge of Scripture through daily reading. The Annunciation site offers the latest Orthodox Word Podcast in mp3 format or as a podcast.

#### **DYNAMIS** Online Orthodox Christian Devotional:

Though not the readings from the lectionary of the Holy Church, this is a subscription from the Antiochian Orthodox Christian Archdiocese of North America which is an email bible study. From their website: "Dynamis is an Orthodox Christian ministry providing meditations on the daily Bible readings of the Holy Orthodox Church's Lectionary. It is published by the Education Committee of St. George Orthodox Christian Cathedral. Its purpose is to encourage the faithful in daily reading and reflection on the Holy Scriptures. We are interested in spreading the illumination and joy of daily Orthodox Bible reading."
