Dear Parents and Sunday School Student,

Since you were unable to attend the Oratorical Festival meeting today, I am sending you the list of topics for your division.

Please read the general tips carefully before you select one of the topics. Then fill out the Speaker Registration form. I will be collecting these forms next Sunday, January 20, during Sunday School. The following Sunday, January 27, I will give you the research material that you will need to write your report.

Your reports must be completed and returned to me no later than Sunday, February 10. Please read through all the material I have enclosed.

The Oratorical Festival will take place at our church on Sunday, March 9. The day before (on Saturday, March 8) we will have a practice session in church at 11:30am.

If you have any questions, please call me at

Sincerely,,

Oratorical Festival Chairperson
