### DISTRICT FESTIVALS

---

Beginning in 2020, the Metropolis of Boston will no longer host District Level festivals. Instead, there is a larger Metropolis Level festival. Each parish can send **one** top finalist from the Junior Division and **one** top finalist from the Senior Division straight from the Parish Level to the Metropolis Level. The Metropolis Level will continue as it always has, sending **one** top finalist from each division to the National Level. We still ask for you to try to host your Parish Level some time in February or March, in order to give the finalists plenty of time to prepare for the Metropolis Level. If you have any questions, or need clarification, please reach out to the Metropolis of Boston Coordinators, listed above.
