Dear

Thank you for volunteering to be a mentor in the St. John Chrysostom Oratorical Festival for our parish. This Festival gives our young people an opportunity to develop their oratorical skills while deepening their understanding of the Greek Orthodox faith.

You will be receiving the names of the students you will be mentoring during the week of January 20. In addition, you will be receiving a packet of information concerning the program.

On behalf of the parish, I would like to express my sincere gratitude and appreciation for your help in this very worthwhile event.

Sincerely,

Oratorical Festival Chairperson
