

DEPARTMENT OF OUTREACH & EVANGELISM CLEARINGHOUSE OF LITURGICAL ITEMS

Checklist ✓

Needed Available

Throughout the Archdiocese there are parishes in need of liturgical items such as censers, chalice sets, baptismal fonts, kouvouklia, and more. There are also many established parishes that have several of these items, some of which are never used. The Department of Outreach & Evangelism is working with the parishes to match up those that have with those that need in order to provide these basic liturgical items for only the cost of delivery.

Please indicate your parish's items needed or available on the checklist at right and fax or mail this sheet to the Department of Outreach & Evangelism. Donor parishes will receive a list of parishes needing those items that they have available and will be contacted by the Department of O&E to expedite the transfer of items.

Shipping expenses are the responsibility of the receiving parish. The Department of Outreach & Evangelism does not accept or store liturgical items.
