Welcome to the Y²AM Ministry Plan!

August 3, 2017

Dear Parent and Ministry Leader,

Raising children to know Christ isn't easy. For too long, parents and family members have been disconnected from the ministry of the parish, left to fend for themselves as they attempt to raise a new generation of Orthodox Christians.

Wouldn't it be better if we could somehow bring together all youth ministry, whether it happens in the parish or the home?

But to do that, you need support. You need a set of reliable, high-quality materials to help you lead Christ-centered ministry for your home.

That's why we created the **Y²AM Ministry Plan**.

We've created nine months of materials carefully designed for well-rounded, effective, and Kingdom-oriented ministry. Organized week-by-week and month-by-month, the **Y²AM Ministry Plan** gives parishes a comprehensive set of tools that will help Church workers lead ministry designed, not simply for the head, but for the heart.

And, best of all, the **Y²AM Ministry Plan** includes this Family Supplement designed to help parents and families raise a new generation of faithful Orthodox Christians.

After all, Christians aren't simply informed: they are formed. They are transformed in the light of Christ into the people, the saints, God has called us to be.

That's why the **Y²AM Ministry Plan** offers a diverse set of experiences that don't simply pass on messages but rather facilitate encounters: both with other Christians and with our Lord Himself.

And it's all laid out for you, from the first week of September 2017 through the last week of May 2018.

If you ever have any questions, please feel free to reach out to us at y2am@goarch.org. Please, let us know what you think: we're committed to creating a new **Y²AM Ministry Plan** every year and constantly refining and improving the materials we offer you.

In Christ,

Steven Christoforou
Director, Y²AM

The **Y²AM Ministry Plan** takes the very best ministry insights and sets them forth in a simple, concrete, easy-to-use resource that can offer ministry workers help today. It reflects the great work of our Team, a fantastic group of people who have done (and continue to do) amazing things for the Church.

I'm blessed to work with them; their fierce dedication and humble love of the Lord encourage me daily.

Yet I'd be remiss if I don't offer special thanks to Cassandra Garibaldi, Y²AM's Resources & Training Coordinator, for her unique contribution.

Cassandra started working on this vital project almost a year ago. It's been an interesting and challenging process as she's both helped shape Y²AM's ministry vision and crystallized it into this concrete, user-friendly **Y²AM Ministry Plan**. Despite all the twists and turns and challenges along the way, Cassandra stayed focused on serving Christ and doing her best to help create ways to reveal Him in our lives.

Her leadership and effort (not to mention the amazing final product) are an incredible testament to Y²AM's ministry vision and the incredible impact that committed, Christ-centered young adults can have on the Church.

We are also grateful for the opportunity to collaborate with the Archdiocese's Center for Family Care. Special thanks goes to Elissa Bjeletich for her help in preparing this Family Supplement.

In Christ,

How to Use the Y²AM Ministry Plan

This Family Supplement is a resource provided to better inform families about how their youth have been growing closer to Christ in parish-based ministry, and to give them the tools to complement that progress at home.

After all the home, the “little Church,” is the most important ministry environment for youth.

If we expect our children to undertake this important journey to Christ and His Kingdom, then we need to make sure they are supported every step of the way. Ministry doesn't not merely happen at the parish once a week: it can happen in loving and Christ-centered homes everywhere, every day.

If you are a parish youth worker, please make sure that families know about this Family Supplement. You can email this Family Supplement to families at the beginning of each month or given at the end of sessions. They may even be helpful to use for family sessions during a family night at the parish.

If you are a parent or family member, we hope this Family Supplement will serve you well as you raise your children to know Christ.

The material in this Family Supplement, as well as the Bible verses, are directly from the youth session part of the **Y²AM Ministry Plan**.

The activities in the Family Supplement are designed to augment the learning from the sessions, helping families start and have meaningful conversations and formative experiences at home.

Thanks for letting the **Y²AM Ministry Plan** help you lead incredible, Christ-centered ministry in your homes.

And thank you for letting us join you on this journey.

JOY - Learning Sessions - Fruit of the Spirit: GOODNESS

We began this month's conversation on goodness with St. Paisios' idea of the flies and the bees. He taught that flies are drawn to the stinky, rotten and bad things in a garden, while the bees are always seeking the flowers. The two might be in the same garden, but one has an experience of rot and the other has an experience of goodness. We can choose to be like the bee, always looking for the good around us and always working to cultivate goodness, in the world in and in ourselves.

We challenged everyone to think of ways to show goodness to others, especially when it is difficult.

You can continue the conversation at home by asking how future weeks' activities relate to goodness, and by doing some of the following:

For Discussion:

- St. Ambrose said, "If you do good, you must do it only for God. For this reason you must pay no attention to the ingratitude of people. Expect a reward not here, but from the Lord in heaven. If you expect it here — it will be in vain and you will endure deprivation." Does true goodness look for a reward?

POST A MEMORY VERSE

"And let us not grow weary while doing good, for in due season we shall reap if we do not lose heart. Therefore, as we have opportunity, let us do good to all, especially to those who are of the household of faith."

(Galatians 6:9-10)

Memorize and discuss.

DO GOOD WORKS

As Lent approaches, families should be intensifying their charitable works. What good works can your family establish a habit of doing, to continue through Lent and beyond? Is there a food bank or nursing home nearby that needs regular help or visitors? Start a habit now.

FAMILY CONFESSION

St. Paul says that we see ourselves "through a glass, dimly". (1 Cor. 13:12) We are made in the image of God, but because of our sins, we see that image as if through a dark mirror. Confession allows us to clean that mirror. Make an appointment for the whole family to confess; discuss before and after.

Be the Bee: Look for what is good.

Watch the very first episode of Be the Bee (Episode 1, Introduction) to understand the difference between flies and bees.

The bee is always looking for the good thing.

How can we "be the bee" in our lives every day?

Is it possible to restore our own goodness by simply focusing on things that are good? Why or why not?

"But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control. Against such there is no law."

—Galatians 5:22-23

GOYA - Learning Sessions - Fruit of the Spirit: GOODNESS

We began this month's conversation on goodness with the idea that we are each created "good", in the image and likeness of God. All good things come from God, and only God is truly good. God also gives free will, which allows us to choose good actions or evil actions. Our passions can cause us to think bad things in life are really good for us — just as the serpent confused or tricked Adam and Eve in the garden. We must be willing to connect ourselves to God and to transform these negative desires to good.

We challenged the GOYANS to think of ways to show goodness to others, especially when it is difficult.

You can continue the conversation at home by asking how future weeks' activities relate to goodness, and by doing some of the following:
