Welcome to the Y²AM Ministry Plan!

August 3, 2017

Dear Parent and Ministry Leader,

Raising children to know Christ isn't easy. For too long, parents and family members have been disconnected from the ministry of the parish, left to fend for themselves as they attempt to raise a new generation of Orthodox Christians.

Wouldn't it be better if we could somehow bring together all youth ministry, whether it happens in the parish or the home?

But to do that, you need support. You need a set of reliable, high-quality materials to help you lead Christ-centered ministry for your home.

That's why we created the **Y²AM Ministry Plan**.

We've created nine months of materials carefully designed for well-rounded, effective, and Kingdom-oriented ministry. Organized week-by-week and month-by-month, the **Y²AM Ministry Plan** gives parishes a comprehensive set of tools that will help Church workers lead ministry designed, not simply for the head, but for the heart.

And, best of all, the **Y²AM Ministry Plan** includes this Family Supplement designed to help parents and families raise a new generation of faithful Orthodox Christians.

After all, Christians aren't simply informed: they are formed. They are transformed in the light of Christ into the people, the saints, God has called us to be.

That's why the **Y²AM Ministry Plan** offers a diverse set of experiences that don't simply pass on messages but rather facilitate encounters: both with other Christians and with our Lord Himself.

And it's all laid out for you, from the first week of September 2017 through the last week of May 2018.

If you ever have any questions, please feel free to reach out to us at y2am@goarch.org. Please, let us know what you think: we're committed to creating a new **Y²AM Ministry Plan** every year and constantly refining and improving the materials we offer you.

In Christ,

Steven Christoforou

The **Y²AM Ministry Plan** takes the very best ministry insights and sets them forth in a simple, concrete, easy-to-use resource that can offer ministry workers help today. It reflects the great work of our Team, a fantastic group of people who have done (and continue to do) amazing things for the Church.

I'm blessed to work with them; their fierce dedication and humble love of the Lord encourage me daily.

Yet I'd be remiss if I don't offer special thanks to Cassandra Garibaldi, Y²AM's Resources & Training Coordinator, for her unique contribution.

Cassandra started working on this vital project almost a year ago. It's been an interesting and challenging process as she's both helped shape Y²AM's ministry vision and crystallized it into this concrete, user-friendly **Y²AM Ministry Plan**. Despite all the twists and turns and challenges along the way, Cassandra stayed focused on serving Christ and doing her best to help create ways to reveal Him in our lives.

Her leadership and effort (not to mention the amazing final product) are an incredible testament to Y²AM's ministry vision and the incredible impact that committed, Christ-centered young adults can have on the Church.

We are also grateful for the opportunity to collaborate with the Archdiocese's Center for Family Care. Special thanks goes to Elissa Bjeletich for her help in preparing this Family Supplement.

In Christ,

How to Use the Y²AM Ministry Plan

This Family Supplement is a resource provided to better inform families about how their youth have been growing closer to Christ in parish-based ministry, and to give them the tools to complement that progress at home.

After all the home, the “little Church,” is the most important ministry environment for youth.

If we expect our children to undertake this important journey to Christ and His Kingdom, then we need to make sure they are supported every step of the way. Ministry doesn't not merely happen at the parish once a week: it can happen in loving and Christ-centered homes everywhere, every day.

If you are a parish youth worker, please make sure that families know about this Family Supplement. You can email this Family Supplement to families at the beginning of each month or given at the end of sessions. They may even be helpful to use for family sessions during a family night at the parish.

If you are a parent or family member, we hope this Family Supplement will serve you well as you raise your children to know Christ.

The material in this Family Supplement, as well as the Bible verses, are directly from the youth session part of the **Y²AM Ministry Plan**.

The activities in the Family Supplement are designed to augment the learning from the sessions, helping families start and have meaningful conversations and formative experiences at home.

Thanks for letting the **Y²AM Ministry Plan** help you lead incredible, Christ-centered ministry in your homes.

And thank you for letting us join you on this journey.

JOY - Learning Sessions - Fruit of the Spirit: FAITHFULNESS

We began this month's conversation on faithfulness by defining it as "a loving trust in God". The Christian life should manifest itself in faith; we are called to be trustworthy to one other and before the Lord, and to trust in God. Jesus tells us that faith the size of a mustard seed can move mountains. We also asked, is doubt the opposite of faith? If faith is a good thing, does that mean that doubt is bad? Can doubt be good? What are good methods for handling doubt (in ourselves, each other, and God)?

We challenged everyone to think of one way they will try to be faithful this week, even when it's difficult.

You can continue the conversation at home by asking how future weeks' activities relate to faithfulness, and by doing some of the following:

For Discussion:

- What does it mean to be "faithful" in a relationship (a faithful friend or faithful in a romantic sense)? Is it about being trustworthy? Is it about trusting the other person?
- How can we be faithful in our relationship with our family members?
- How can we be faithful in our relationship with God?

POST A MEMORY VERSE

"Jesus said to him, "If you can believe, all things are possible to him who believes." Immediately the father of the child cried out and said with tears, "Lord, I believe; help my unbelief!" (Mark 9:23-24)

Memorize and discuss. Can we believe and need help believing at the same time?

TRUST WALK

Take a family trust walk! Pair up, and have half the family lead the other half around blindfolded. Switch sides, and let those who were blindfolded do the leading. Do we trust in one another? What harms trust? What builds up trust? How does this relate to trusting God to be our guide?

GOD'S PROMISES

We know that we can trust God because He keeps His promises. Can you think of examples in the Bible of promises He kept (perhaps to Moses and the Israelites or to King David, etc.?) When we see Him keep His promises to others and to us, we learn that we can trust His word. What promises has God made to us? Has he kept them?

The greatest of Saints struggled with doubt, and we will all experience doubt. We shouldn't be ashamed of doubt, as this is the way that we come to learn that we can trust God. We learn to trust His Word because we get to know Him and find that He takes care of us.

"But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control. Against such there is no law."
