### **NOTE:**

The **Comprehensive Examination in Modern Greek** is “a locally developed foreign language examination” aligned to **Checkpoint B** learning standards for Languages Other Than English (LOTE) as described in the **Syllabus: Modern Languages for Communication** of the New York State Education Department. The *Examination* may afford high school students, who pursue studies in the Modern Greek language for more than two years, the opportunity to earn a Regents diploma with advanced designation (NYCRR §100.5[b][7][v][c]). Awarding of credits for foreign language studies, however, is at the discretion of the public or private school principal.
