Finding Christ through Service

We began this month's conversation by learning about service, discerning the difference between helping, fixing, or serving. The gospel passage of Christ feeding the five thousand people was referenced. The lesson continued to examine the relationship between prayer and service, and what is meant during the liturgy when we are told to, "go forth in peace." We encourage you to continue the conversation by asking your child what they learned as well as exploring the resources on this page.

For Discussion:

- What does service look like in our home?
- Why is service important to our relationship with Christ?
- How can we build on service in our family life?

Make a plan for your family by setting attainable goals that everyone can share in.

How did St. Maria's practice of service bring her closer to Christ?

Bible Verse

"For you, brethren, have been called to liberty; only do not use liberty as an opportunity for the flesh, but through love serve one another. For all the law is fulfilled in one word, even in this: 'You shall love your neighbor as yourself.'"

Galatians 5:13-14

How do we plant seeds of selfless love and sacrificial service in our children's lives?

Discussion

Discuss how you can see people you meet as living icons of Christ, and treat them with the respect and love you would offer to Him?

Decide on a charitable project your family will adopt - close to home or through an organization such as FOCUS North America. Remind everyone in your family that your project honors the living icons it aims to benefit.

"Give from the heart since each person is the very icon of God incarnate in the world."
